---	---

Some of today's most exciting wines are coming from grapes grown in volcanic soils. They tend to have deep minerality and unique personalities and they all work really well with our food.

SALVO FOTI

When you speak about the wines of eastern Sicily and especially the wines from the soils of Mount Etna, Sicily's famous, majestic volcano, it is impossible to not mention the name Salvo Foti.

2014 Salvo Foti "Vigna di Milo"
